### Wellbeing- Remembrance

On Sunday 8<sup>th</sup> November, it is Remembrance Sunday. Poppies are a common sight in the weeks leading up to Remembrance Day. They are the flowers that grew on the battlefields as World War One ended and are a symbol to remember those who have lost their lives fighting for their country across the years.

**Task:** Watch [this clip](#) about why Remembrance Day is important. Ask an adult to help you light a candle and take 2 minutes quiet time to remember the sacrifices people have made for our country.
