

Hello 6K,

I hope you are all keeping safe and well 😊

I'm sure you have all found a little routine at home and a balance between family, work and fun.

I am really missing your lovely, happy faces in our classroom and your infectious laughter, along with the jokes too! In the time we spent together, we got to know each other well and I am so proud of the progress each of you made in Year 6 this year.

I know it has been a long time since I have seen you, but I have thoroughly enjoyed seeing some of your work sent into the hello@gig-mill.dudley.sch.uk or on Purple Mash, it has been fantastic to see some of the things you have been doing, especially the canal roses and poems you have written. I hope you have been enjoying reading our messages - did you see my word on the staff video on the website? I tried to do something a little different!

Hopefully, you are enjoying some of the activities and finding new, creative ways to do your work. I know learning at home is not the same as being at school with your friends and teachers, I completely understand, I just want you to try your best. Please keep sending in what you are doing, it really makes me smile! I've been keeping a little album of photos of new recipes I've been baking and cooking, I'm looking forward to sharing these with you, you know how much I love chocolate!

Spending quality time with your family in your house is so important, as well as keeping in touch with other family and friends. Remember to look after and support each other as you always have done whilst being at school.

6K, you may be the loudest class, but you are absolutely fantastic at caring and looking after each other in times of need. This is your chance to shine!

Keep safe, have fun and I will hopefully see you all again soon.

Take care,

Miss Kamudu
