

Remote-learning

Gig Mill Primary School

Together we care, together we succeed

Year Group: Year 1

WEEK BEGINNING: 15.03.21

This is an overview of the main areas of learning in Year 1 for this week which will link to the learning going on in school. Please use these as the main activities for remote-learning if your child is unable to attend school during this week.

Maths

This week we will continue to learn all about money. Complete one Oak Academy lesson per day.

Oak Academy:

Lesson 1: [To use addition and subtraction in the context of money](#)

Lesson 2: [To exchange money for items](#)

Lesson 3: [To find the total cost of two items](#)

Lesson 4: [To calculate the amount of change needed](#) (part 1)

Lesson 5: [To calculate the amount of change needed](#) (part 2)

Challenge:

Task 1: Set up your own shop at home. Find a few different items that you will sell at your shop. Give each of your items a value less than 50p. If I wanted to buy an item from your shop and I paid with a 50p coin, what change would you give me? What coins would you use to give me change?

Task 2: Have a go at the 2Dos set on Purple Mash this week to help consolidate your understanding of money.

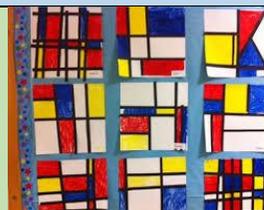

Mental fluency:

You can log into [TTRockstars](#) to practise your times tables! See if you can set a new high score.

You can also practise your rolling numbers to help remember your times tables.

Irresistible Learning- Artist in Focus- Piet Mondrian

This week we are getting creative and learning all about the artist Piet Mondrian. To help you learn more about Piet Mondrian and what his style of artwork is watch this [video](#).

After you have looked at some of the artwork Piet Mondrian has created can you tell your grown-up what you like about his work?

What can you notice about Piet Mondrian's style of work? What are the similarities in all his pieces of work?

Task: Using the style of Piet Mondrian we would like you to create your very own piece of work in the style of Piet Mondrian. You can either draw and colour in a jungle animal of your choice or do a picture of your own choice.

There is also a 2Do set for you on Purple Mash and we would love if you could upload any work that you do for us to see, remember this can be to the display board or to your PurpleMash folder.

English – Oak Academy – The Magic Paintbrush Created Story (mood)

Complete one lesson a day ([Lesson 1-5](#))

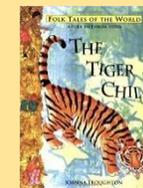

Additional Writing Task - The Tiger Child

Task 1: Listen to the story on Espresso (log in using details below, type The Tiger Child into the search bar). Design a collage of the tiger from the story, you could use different paper, paints, pencils etc. Be as creative as you can, we look forward to seeing your creations.

Task 2: Think of 5 adjectives to describe the tiger from the story. Write your adjectives around your collage creation.

Task 3: Create a story map of the story, you can do this using the story map template on PurpleMash or by doing the 'sequence the story' activity on espresso.

Task 4: Complete a book review on the book The Tiger Child. You can use the 2Do on PurpleMash as a template.

Phonics:

Recap your phase 3 sounds by watching this [video](#).

This week we are learning two new sounds. Click on the links to learn our new sound [u_e](#). Now you have learnt all the split digraphs, can you think of 2 words for each one (a_e, e_e, i_e, o_e and u_e). You can also practise these sounds by completing the 2Do on PurpleMash.

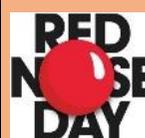

Practise some of your tricky words by singing this [song](#). Our tricky words for this week: **looked** and **asked**. Can you put our tricky words into sentences?

Reading:

Pick a book from home or one from bug club. Who are the main characters? If you could change one thing about the book, what would you change?

Wellbeing – Being Happy

On Friday 19th March it is **Red Nose Day** (you can find more information on the Comic Relief website [click here](#)). On Saturday 20th March it is **International Happiness Day**. Here are some ideas you can do at home linked to these special days:

- Find some jokes – which one makes people in your family laugh the most? Share it with your teacher via 2Email or complete the 'Share a smile' activity on the Comic Relief website ([click here](#)) – scroll down to download the poster.
- Visit the Newsround website ([click here](#)) - scroll down and watch the video to find out what makes some children happy.
- Watch the 'Small Smurfs Big Goals' video linked to International Happiness Day ([click here](#)). You might also want to have a look at the Mindful March activity calendar ([click here](#))
