

Hello 1W,

I hope you are enjoying spending more time with your families and that you are staying safe and well. I have missed teaching you at school but I hope you have found some fun things to do at home.

I have loved seeing some of the work you have done at home. Some of your plants have grown really well. I would love to see more of what you have been doing; so if you want to, send some more pictures to hello@gig-mill.dudley.sch.uk

I have been trying to keep busy while staying at home. Daisy has been keeping me company and has been taking me for a big walk every day. She has even learnt to swim in the canal.

I hope you have enjoyed some of the work that has been set for you. I would have loved to have been teaching you about maps this week: as you all know I love maps!

Keep positive, I am missing you all.

Mr Withers
