

Year Group: Year 3

WEEK BEGINNING: 22.03.21

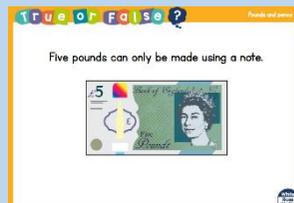

This is an overview of the main areas of learning in Year 3 for this week which will link to the learning going on in school.

**Maths**

This week we will be looking at money. Watch these White Rose videos and then complete the worksheets.

- [Lesson 1- Count money pence](#)
- [Lesson 2- Count money pounds](#)
- [Lesson 3- Pounds and pence](#)
- [Lesson 4- Convert pounds to pence](#)
- [Lesson 5- Add money](#)

Challenge: True or false?

Try counting some real money. If you have a money bank empty it out, sort the coins into different values and then add up the totals for each set of coins. This also helps us to count in different steps.

**Fluency:**

Try this [coin cruncher game](#) you can play make the total or how much, start on the easy level and then have a try at the hard level. You could also have a go at playing this BBC bitesize [game](#), there are lots of different types of questions and you can choose the areas of maths that you would like to answer questions on.

**Irresistible Learning:**

Science: This week we are investigating which types of rock are natural or man-made. Look at the pictures and see if you can sort them into which group they belong to.

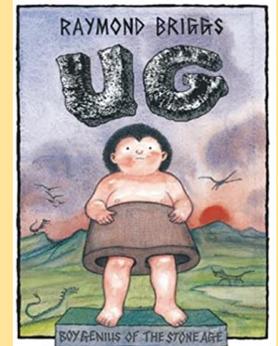

Design Technology: Can you design a new pair of trousers for Ug? Think carefully about the materials they had in the Stone Age and the tools they had to join materials together. Draw and label your designs.

**English**

**Oak Academy:** This week we are working on narrative writing based on The Man on the Moon. Start on [lesson six](#) then complete a new lesson every day.

**Writing and reading challenge:** This week we are looking at the book Ug, Boy genius of the Stone Age. [Watch](#) the story of Ug then write a description about him. Remember to include noun phrases, comma sentences and you could also use a what/how exclamation, What a clever and resourceful boy Ug is! Do you think Ug enjoyed living in the Stone Age? Explain your thinking and link this to what happened in the book to support your ideas, then share it with your teacher.

Think about these questions:

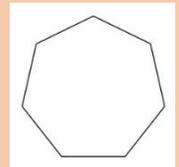

- Did you like the story of Ug?
- Were his parents good parents?
- Did you learn anything new about the Stone Age from the book?
- Why didn't anyone understand Ug?

**Reading:** [Have some fun logging on to Bug Club and see what books you have been given to read.](#) Remember you can also access the online edition of First News. Ask a parent or carer to fill in this [form](#) to get free access to the newspaper.

**Spelling:** This week we are looking at spellings with the prefix **re**, there is a list of spelling words and a quiz to complete as a 2Do.

**Wellbeing: Creativity**

The last 12 months have been memorable for lots of reasons. Through the difficult times, we have all found moments to celebrate in our families but also as a country. Often special events are commemorated in new coin designs – which is where you are needed!

What will you choose as your design to celebrate the special achievements and memories from the last 12 months? You may wish to focus on a specific person, theme or event. **Upload a photo of your design to the Gig Mill Coin display board on Purple Mash.**
