

This is an overview of the main areas of learning in Year 3 for this week which will link to the learning going on in school.

Year Group: Year 3

WEEK BEGINNING: 28.06.21

**Maths**

This week we will be revisiting fractions using Oak Academy. Start on [lesson 1](#) and complete a new lesson every day.

Challenge: Think carefully about these challenge questions.

Use the bar model to work out which fractions have been added together. Then, complete the number sentence and find the total.

3) A shape has been part shaded.

a) What 2 fractions could have been added together to create this shape? Find 2 possibilities.  
b) What 3 fractions could have been added together to create this shape? Find 2 possibilities.

Complete the number sentence.

$$\frac{\square}{11} + \frac{3}{\square} + \frac{\square}{11} = \frac{10}{11}$$

**Fluency:**

Log onto [TT Rock Stars](#) to improve your speed and recall of multiplication and division facts. Count forwards and backwards in halves and quarters. Can you see a pattern? You could create your own numbeline to help you.

**English**

**Oak Academy:** This week we are starting a unit on narrative writing about [The Fate of Fausto](#), start on lesson 11 and complete a new lesson every day.

**Writing challenge:** This week we are continuing to write adventure stories, listen to the story [Escape from Pompeii](#). Can you write an adventure story based on an escape from Pompeii? What will happen, where will they escape to and how will they do it?

**Reading:** [Have some fun logging on to Bug Club and see what books you have been given to read.](#) Remember you can also access the online edition of First News. Ask a parent or carer to fill in this [form](#) to get free access to the newspaper.

**Spelling:** This week we are looking at some common exception words, there is a sheet of spellings and a quiz to complete on Purple Mash.

**Irresistible Learning:**

**Italian Adventure-Roman Gods**

**Watch** this clip and look at the information about Roman Gods.

Then complete the 2Do on Purple Mash and create a leaflet using the information that you have read. Add some pictures and check you have included the key facts.

**Science:**

**Watch** this clip about what light is. There is also a quick quiz for you to do. Then watch this [clip](#) that contains information about light and materials including opaque, transparent and translucent. Can you investigate around your house to find some different opaque, translucent and transparent materials? Make a list naming the materials and the different purposes that they are used for?

**Wellbeing-**

**RE-Special religious journeys**

We are looking at special religious journeys that Muslims make in RE this week. Start off by thinking of special journeys that you make with your family.

Where do you go?  
How do you get there?

What do you do when you arrive?  
First [watch](#) this video link about the five pillars of Islam. Then complete the 2Do that has been set on Purple Mash, you could then upload and share your work onto our year three display board.

Then watch this [clip](#) about the Muslim pilgrimage, Hajj. You could make a poster about what you found it.
