

🧊 Together we care, together we succeed. 🧊

*** ** We wish you a Merry Christmas! ** **

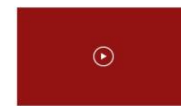

As I explained in an earlier message this term, due to current restrictions we are unable to celebrate the end of term with our usual nativities and carol concerts. We have been celebrating one of our school values - creativity this week in school. So I am delighted to share with you our Christmas celebrations in a different way this year.

We have been unable to sing in school, so recordings have taken place outside. Children have played a range of percussion instruments across school to record Christmas songs.

So from all at Gig Mill we are sending you all our special Christmas messages.
