

Hello Rainbows,

I hope you are all keeping safe and healthy with your families at home. Mrs Hunt, Mrs Sandel and I are really missing your lovely happy faces to say good morning to. You always amazed me with how hard you worked every day and I am very proud to say I am your teacher 😊

I have been looking after Rainbow too! She has loved being outside in the sunshine and enjoyed chasing after many minibeasts. Her favourite is butterflies. She has missed your daily cuddles and going on lots adventures at your houses but she knows she will see you all soon!

I have really enjoyed seeing some of the beautiful work that you have been doing at home. It has put a smile on my face seeing how hard you have worked and your beautiful smiles. Please, if you haven't already, send a picture to hello@gig-mill.dudley.sch.uk (Please put R in the email title/subject).

I hope you have been enjoying our weekly messages and all the activities we have been sending you, it has been a lot of fun planning it for you. I hope you enjoyed watching the video on the staff website with a message to you all. I made my word on my daily walk in the woods using lots of leaves! I hope you have been enjoying this wonderful weather too! Working from home is very different than being at school but I know, just like you do at school, that you are doing your very best and that's all we ask for.

Rainbows keep up the positivity, hard work and fun you always brought to the classroom and look after yourselves and your families. I know we will see each other soon and I am really looking forward to it!

Miss Whitehead 😊
